

PHOTOGRAPHY IN

NATIONAL
GEOGRAPHIC

A large, thick yellow L-shaped graphic element is positioned in the bottom right corner of the image. It consists of two perpendicular bars of equal thickness, forming a corner. The top bar extends horizontally towards the right edge, and the left bar extends vertically towards the bottom edge. The text 'NATIONAL GEOGRAPHIC' is printed in yellow, bold, sans-serif capital letters along the top horizontal bar, oriented vertically so that it reads from top to bottom.
